Notice of Gratuitous Application

NOTE:

The software transferred to you is a Gratuitous Application.

This software is provided Free of Charge, with no warrantee or explicit guarantee of support.

Software, Technical Information, and Product Documentation are supplied or described in and or part of this Application, including any documentation is provided free of charge, and without warrantee, or guarantee of fitness or reliability.

Any risks, or failures resulting from its quality, or use, remain the responsibility of the recipient, or programmer, or user at all times. The party of use must provide all safety measures, at all times, and is responsible for protecting against possible maloperation, or resulting failure due to use, and assumes all risk of use.

Lenze does not take any liability for direct or indirect damage, e. g. profit loss, order loss or any loss regarding business of relation.

Efforts have been made to be accurate; the information contained herein does not purport to cover all details or variations in hardware or software, nor to provide for every possible contingency in connection with installation, operation, or maintenance. Features may be described herein which are not present in all hardware and software systems. Lenze assumes no obligation of notice to holders of this document with respect to changes subsequently made.

Lenze makes no representation or warranty, expressed, implied, or statutory with respect to, and assumes no responsibility for the accuracy, completeness, sufficiency, or usefulness of the information contained herein. No warranties of merchantability or fitness for purpose shall apply.

All Software trademark's, copyright, and features are that of the software originator, Lenze extends no warrantee over 3rd party software by the creation of documentation that references it, nor does Lenze extend any rights, license, or obligation of use by way of example.

Contact.

Gratuitous application contact:

*Note, this application may not work for you, however asking questions is expected, and the following people are aware of your use, and may be able to get answers to questions.
